### About Take 5

**We believe God's Word transforms lives and technology can be used for His glory.**

*Isaiah 55:11 (NIV)*  
*so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it.*

**Mat 6:33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.**

**Eccl 3:11 He has made everything beautiful in its time. He has also set eternity in the hearts of men; yet they cannot fathom what God has done from beginning to end.**

We are resending the Saturday message (with small changes) because it reflects the Tuesday study and it reflects the answers that will be needed by those seeking answers from the Southern California fires.

Please join your brothers in prayer for the fire fighters who are risking their lives protecting others, for those who have lost their homes, and those that are living in uncertainty because of the fires.

During times of crisis, people will intensify seeking for the basic and precious answers to life. God has called us to be the light that shines His answer to a frightened and needy world. Let your light shine for God this week, in your prayers, in your service and in your community.

God has placed eternity in the hearts of men (Eccl 3:11).

***The world is starving to be loved and for someone to love.***

The world is hungering for an authentic, vibrant life to fill that infinite void in their heart that only God can fill.

Thank God, that He has filled the hearts of believers with His eternal Spirit (Rom 8:9). But the natural man can not know the things of the Spirit (1Cor 2:14).

The world is looking for a form of spirituality that works.

They are just like the men on Mars hill looking for something new.

They are looking for something that will satisfy a longing, an emptiness.

They are looking for an "unknown god". (Acts 17:23)

God has not called angels to proclaim His Gospel.

***He has called men to live out the Gospel before a thirsting world (Rom 10:13).***

God has put His glory in the believers so that the world would know that He loves them (John 17:23)

God has created us to live an authentic Christian faith that will draw men to Himself. What does this authentic faith look like and how do we acquire it?

Am I living that authentic Christian life?

Jesus tells us what that life looks like and how to live it in His Sermon on the Mount. The Church has what the world is looking for.

We have the "it" seekers are looking for, the "seekers it", the "secret".

We know their "unknown god". His Name is Jesus.

How do we live an authentic Christian life that will let the world know God loves them?
